Dear Dr Smyth,

The number of applicants for medical scholarships this year is unusually large, being 27 for 3 scholarships. The Government did not give permission for the publication of the usual notification of the scholarships till about a fortnight ago, & thus the selection of the scholars of this year has been still more delayed. The Medical College has already reopened for work since July 1st. Our scholars should join the College at once. I shall be obliged if you will kindly let me know whom you select from the enclosed statement of applicants.

Government in their Order of 30 June 1902

which I enclose laid down the principle that those possessing the highest educational qualifications should be selected, & that "where the qualifications are equal, the cases of persons belonging to classes not adequately represented in the department concerned should receive special consideration"

According to these principles the best qualified applicants are

No 8 M A Singarayanyar BA — Passed First in B C M, Madras Medical College

B Krishna Rao BA Mysore — Completion of Course does not state age or send testimonials

14 T S Narasinga Iyengar BA Ph.

15 J A Iswara Murti BA Ph. Sum

16 M R Perumaum Mudaliar BA

25 G Sidhara Murti BA - 9

18

Of the above Nos 8, 15 & 16 seem to me the most promising & best qualified

The following 6 applicants have special claims for consideration

No 3	M N Sriniwasa Chetty	Son of the Hospital Constable of Chikballapur
13	B V Ramarayya	Son-in-law of Mr B Ramakrishna Rao Asst Commr

25th	G Sidhara Murty	Son of Mr G Raghunatha Rao Asst Commr Retired
